## TAROT CARD FOR THE FORTNIGHT

It's time for a little interim reporting on that project of yours. You've got your methods and that's great, but remember - If you keep on doing what you've always done, you'll keep on getting what you've always got. The best projects are flexible and adaptable. Take time out to stand back from your work and see where you can make changes.

## PHOTO CONTEST WINNER!

Congratulations, cardiganfemme! Thanks for showing us one of your favorite things! Your dog is super cute, good work.
