

A-CAMP BEE

See you next year, snowflakes!

We've had such an amazing time with you on this mountain! Thank you for being open and kind and generally great. We are so glad you joined us and can't wait to see all your shining faces next year.

Gal Pals 4ever: Dannielle & Julia

Julia: Hi.
Dannielle: Hey.
Julia: I have some questions for you.
Dannielle: Okay.
Julia: Number one: If you found a pie cooling on a window sill, what kind of pie would you like it to be?
Dannielle: I would like it to be whatever your favorite kind of pie is so I could bring it to you.
Julia: 'Cause you wouldn't want that pie.
Dannielle: No, I don't like pie.

Julia: Truth be told, I don't like pie either.
Dannielle: Well what would you like it to be?
Julia: I would want some dried mango, drying on a window sill. But only good pieces.
Dannielle: What constellation do you deeply identify with?
Julia: Hmm, okay. Gut reaction is Little Dipper. One, because it's one of the four constellations I know of, and two because I feel like you're my Big Dipper.
Dannielle: No. No.
Julia: Print it! Put it in the newspaper! They'll love it.
Dannielle: I hate it.
Julia: What's your constellation that you identify with?
Dannielle: Mine would be Orion's Belt because if I find Orion's Belt, then I can find like six other constellations, and I like that. I'm a problem solver.
Julia: What's your favorite animal, Dannielle?
Dannielle: Janet.
Julia: JANET! Janet! Janet! Janet! Janet!
Dannielle: What's your favorite part about living with me?
Julia: Janet!
Dannielle: No!
Julia: My favorite part about living with you is hanging out and talking with you all the time.
Dannielle: Same.
Julia: And cooking. And our cool decorations.
Dannielle: Our cool hipster Pinterest apartment.
Julia: Oh my god, it is. It is a Pinterest apartment.
