Meetup Recaps

Cincy Straddlers:

A couple of Cincy Straddlers got together for our second Hella Hot Photoshoot, which is exactly what it sounds like... hella hot queers taking hella hot photos of their hella hot selves in hipster locations (like this time we walked around the riverfront parks).

This shoot included lots of self-love, good laughs, exploring of new places, and new profile pics/ updates to dating profiles. We highly recommend photoshoots for other Straddler groups - so fun!

Twin City Straddlers:

There was another New Kids Hangout for the Twin Cities Autostraddlers and a bunch of new (and some not new) faces came out for a fun night! We met at Sea Salt in Minnehaha Park for some drinks and snacks and convo and then made our way to the Minnehaha Falls for some pics. This was our 3rd New Kids Hangout and it has become a really important part of welcoming recent transplants and new TC Autostraddlers members. Yay new friends!

CHOOSE YOUR OWN GAY-DVENTURE

It's almost October and you're so excited for Halloween! You noticed an ad in the paper for a Boutique at a local shop and decide to check out what they have to offer.

Upon walking in the store, you notice something is off. Everything is dusty and covered in cobwebs and there's no one working the cash register. There's also the faint scent of something eerie, like a potion gone terribly wrong. You start calling out, seeing if anyone is even in the store when you hear an otherworldly shriek from the back!

Should you:

- + Investigate what is going on. Someone could be hurt
- + Get the heck out of here before you're the one shrieking!
