Tarot for the Fortnight

Two of Stones

Don't be afraid of life's challenges - they change, shape and grow you. When we turn away from challenges, we miss those opportunities.

Where in your life are you being presented with a challenge right now? What are you shying away from because you don't feel you have the skills/courage/wherewithall to tackle it? Well, how about if you rise to it? You don't have to know exactly what you're doing, you don't even have to succeed, just give it a go. You'll surprise yourself.

Twin Cities Autostraddlers went and saw Allison Weiss and Mal Blum do their thang at The Nether Bar. Much music listening, queerball bonding, and fun were had by all. Thanks Cameron for organizing this rad meetup!

CHOOSE YOUR OWN GAY-DVENTURE

You wake up on the floor of the stock room. There's an otherworldly mist billowing over your body as you make your way to your feet. The stockroom is massive. It has to be 3 stories high, the shelves full of items stacked so high they're threatening to topple. You notice it is divided into sectors -- you're right outside the Halloween section, but you notice a Thanksgiving section a couple rows down.

"What is this place?" you think idly to yourself.

All of a sudden, a potion falls from the shelf in front of you and a tiny blue fairy floats out. Suddenly you're blocked off from the back, your only route out now to continue into the maze of holidays in front of you. The fairy buzzes in front of your face before speaking.

"Thank you so much for saving me, now I will help you escape. I can offer you an enchanted screwdriver or a mythical flashlight. Choose wisely"

Which do you choose?

- + Enchanted screwdriver
- + Mythical flashlight

- BIGFOOT
- CAPTAIN
- CHAOS
- FAIRY
- LOCHNESS
- MANATEE
- SPELL
- RANDOM
- NARWHAL
- SUPERNATURAL
- WITCH
